

WPBC PASTOR SEARCH COMMITTEE PRAYER GUIDE

Dear WPBC Family & Friends,

As prayer should be a natural and frequent part of our Christian walk & daily routine, please incorporate this prayer guide into your quiet time, family prayer time, couples prayer time, bedtime prayers and any time throughout the day you choose to pray! The Pastor Search Committee requests & covets your prayer participation! We all need encouragement to succeed as the prayer warriors God wants us to be!

In Jeremiah 33:3 the Lord says “Call to me and I will answer you and tell you great and unsearchable things you do not know.”

At a time such as this, “human knowledge and judgment are inadequate. Only spiritual discernment is sufficient, and spiritual discernment is given to those who earnestly seek it.”

Please pray, in Jesus’ name, for the following:

- God’s will for our church & church family
- God would have His way
- God would bless us with his wisdom
- God would guide us and direct us in our search
- God would be glorified during this process
- God would prepare the heart of our next Pastor
- God would prepare the hearts of his family members
- God would arrange the necessary circumstances for us to meet
- God would protect our church & church family
- God would protect the families of the church staff, the Leadership Team & the Pastor Search Committee

“Prayer can have the power of an ever-flowing river, cascading down over mighty waterfalls”
